3 Posting.....	2

1. Support

An [DIDLTools Technical Mailing List](#) has been created as a technical discussion list for those using or simply interested in the DID-API and it's various implementations.

2. Subscribe

[Subscribe](#) to the mailing list by registering at 'http://lists.lib.ugent.be/mailman/listinfo/didwriter-dev'

3. Posting

Post mail to didwriter-dev@mailing.ugent.be

Make sure you are subscribed to this list prior to posting by registering at the site defined above. Although mails from non-subscribers are manually moderated through if applicable, our policy is to reject mails from regular posters who fail to properly subscribe. All this is to prevent spam, and to reduce the workload of the moderators.
